LUGGAGE UPGRADE

Packed with Style

ABLE TO SURVIVE bumpy journeys, glide through airports, and make a stylish statement in hotel lobbies, **Valextra K-Val luggage** (www.valextra.com) is an ideal travel companion. The black-and-white jacquard cases—including the carry-on (top, \$7,330) and midsize bag (bottom, \$6,800)—are made with an abrasion-resistant and waterproof Kevlar-and-polyester material and fitted with wheels made from the same material as Pirelli high-performance tires. The K-Val cases are shown with the **Valextra Small Costa suitcase** in grained yellow calfskin (middle, \$6,770). The **Berluti straw hat** and **cotton scarf** (www.berluti.com), priced at \$670 and \$290, respectively, and the \$385 **Morgenthal Frederics Abe sunglasses** (www.morgenthalfrederics.com) will keep the traveler fashionably in step.
